

DUDGEON

SINCE 1947

Chevron 8 Seater Sofa

A fabulously comfortable eight seat corner sofa, specified by an eminent English interior designer for a motoryacht built in Italy for a Greek family. The sofa was stuffed with pure duck down (no feathers) in the backs and in the seat cushions, and the beautiful fabric is by Neisha Crosland. The sofa was delivered personally to the Italian boatyard by Dudgeon's managing director.
